New/Returning Counselor Application Questions

Please type your responses to the following questions fully and completely on a separate sheet of paper and attach it to your application. Please rewrite the original questions in your response.

1. Being a counselor is a lot more than just having fun and spending time with your friends while getting community service hours. Why do you want to be a JHC Counselor? What are your goals for counseling? What would you like the campers, as well as yourself, to get out of your counseling experience and camp?
2. How are you currently “actively participating” in your local church? What does “regular attendance” look like for you?
3. What are the gifts and graces that you bring to the counseling team? What expectations of the counselor role will be challenging for you?
4. One criteria of a JHC counselor is that they are “responsible and dedicated team workers.” Describe either how you have embodied these qualities or plan on embodying them this year.
5. Please describe past leadership experiences. What are some qualities that you possess that would make you an effective leader?
6. Describe your faith journey this past year. How did you grow and what helped you grow? Where were you stuck? How do you think your participation in JHC will contribute to your faith growth? What is your relationship to God, and why is it important to you?
7. What extracurricular commitments do you have going on this year? Is there anything that you can foresee that would conflict with your time commitment or dedication to JHC? List all known scheduling conflicts you might have with our training meetings.

Additional Questions for Returning Counselors:

(only answer these questions if you have counseled JHC in the past)

1. How was your counseling experience in your previous year(s)? How have you grown in your faith through your counseling experience?
2. What previous experience can you bring back to this year of camp to help grow the entire camp? How do you plan on stepping up as a veteran counselor? How can you use previous experiences to help your fellow counselors this year?
3. Do you have any new ideas for camp? Is there anything about JHC that you feel could be improved? (optional)

I am aware that, even as a qualified applicant, I am not guaranteed a position as a Junior High Camp 2015 counselor.
