Asian American Summer Camp

The United Methodist Church Asian American Summer Camp, in its 40 year history of empowering and inspirational ministry, has developed a reputation amongst its participants as a family-like community, yielding lifelong relationships and faithful servants of God.

The mission of “Asian Camp” is to reach out to youth and young adults in our Asian American churches and communities, in effort to lead them toward a closer relationship with Christ. Through worship, fellowship, prayer, growth groups, community builders, and other outdoor activities, Asian Camp encourages campers, as well as staff, to explore their faiths, reflect on their personal identities, and use their spiritual gifts for God’s glory. With special focus on equipping for the future, Asian Camp seeks to instill pride in each camper’s spiritual, cultural, and ethnic identity.

A hallmark of Asian Camp that sets it apart from other Christian summer camps is a tradition of creating its own

programming, with inclusion of activities that focus on our Asian heritages and social justice issues relevant to today’s youth. With every aspect of programming, Asian Camp aims to foster an atmosphere of love and acceptance, where youth feel secure in their personal identities, but are still challenged to be all that God has created them to be. Within this context, our intent is to create life-affirming experiences that will root Asian Camp participants in an

understanding of their relationships with God and with each other and in love of themselves as loved sons and daughters of God.

“UNIVERSITY OF GOD”

By looking at the lives of several of Jesus’ Disciples, we will learn key lessons about what it means to be a Student of God throughout our lives. We will examine the journey to discipleship through the common experiences and perspective of a student in today’s world.

Asian American Summer Camp

A basic code of behavior is needed for any group of people who come together for any length of time. The camp philosophy has always been one of freedom, but there are certain rules that have to be established and followed by all campers and staff. The guidelines below are kept to a minimum and reflect concern for the rights of others and the law.

Under all conditions, these guidelines will be strictly enforced and any camper in violation of these rules will be subject to immediate dismissal from Camp. As mature youth we hope that you understand the reasons behind such guidelines.

Drugs and alcohol are not used at camp. They are illegal for minors and will not be tolerated under any circumstances at AC.

All medications, including over-the-counter non-prescription medication must be dispensed by the camp nurse.

Romantic interests are a natural part of life, but physical relationships must not be taken too far at camp and one's personal space will be respected.

No one is allowed to leave the campgrounds. This is enforced for your safety. Know the camp boundaries and stay within them.

"LIGHTS OUT" means that you must be in your assigned cabin and the lights must be out. There are no exceptions.

Shoes or sandals must be worn at all times.

Visitations in cabins of the opposite sex are not allowed at all times.

Pagers and cell phones must be turned off at all times.

CD and tape players, iPods, laptops and portable DVD players (and any other recreational electronic devices) are not to be brought to camp. They will be confiscated and held by the Directors for the duration of camp and will be returned to the camper on the last day.

Attendance is required at all meals and regularly scheduled activities.

CABIN CHECKS - each cabin will be checked daily. Please take care of and respect the property at Camp Lodestar. We are responsible and liable for all replacements and repair costs.

RESPECT - Respect must be given to the authority of the counselors, directors and other adult supervision. Your counselors are experienced and able leaders. Please give them the respect they deserve.

Any violation of these guidelines will result in a phone call to your parents and possible dismissal from camp.

It is our belief that if we follow these rules, react with openness and respect the rights of others, and use our common sense, everyone will have an enjoyable and memorable experience. But for the safety of all, we do regard them with utmost seriousness and pray that you will do the same.

Acceptance of the Camp Guidelines to be signed by both **Parent** and **Participant**

I have read the guidelines explained above and understand that they are to be abided by at National Japanese American United Methodist Caucus Asian American Summer Camp 2014. In case of dismissal, I, the undersigned parent, will be responsible for any cost incurred in transporting the participant home.
